### Meridian Co., Ltd.: Lapex 2000 LipoLaser Global Distribution Now Includes 1 Not Just a body contouring system but a "Lifestyle" changing experience

VANCOUVER, BRITISH COLUMBIA -- (MARKET WIRE) -- 01/09/08 -- Meridian (or the "Company") (OTCBB: MRDAF), an industry leader in the research, development and sales of integrative medical equipment, is pleased to announce that they have a distribution agreement for the Persian Gulf with Laser Lipo (Dubai) Ltd. ("Laser Lipo")

The contract outlines that Laser Lipo will be granted an exclusive license to market BCS ("BCS") in the Persian Gulf, focusing primarily in Dubai. Their exclusive distribution is based on a minimum order volume equal to sales of approximately US \$16 million over the term of the contract.

The Lipo Laser is "not just a body contouring system, in some cases, it can be a lifestyle changing experience. We look forward to introducing the BCS in to the gulf region, which has some of the highest percentages of wealth in the world," says Ian Cobley, Director of Laser Lipo Ltd.

"Laser Lipo plans on distributing the BCS through their affiliate company, CPL International in the Gulf region and directly in the UK. We feel confident that we can surpass our anti-cellulite sales of 2 million in the initial 12 months from our UK launch," says Sharon Cobley, Director of Laser Lipo. She continues; "Our knowledge and connections with leading European cosmetic surgeons and our experience in the aesthetic arena, assures us that this technology is just what the industry has been waiting for- a risk free alternative to invasive procedures such as liposuction."
